---

First Aid - Ingestion	Wash mouth out with water. Do not induce vomiting. If ingested drink 1 - 3 glasses of water. Seek medical attention if patient continues to feel unwell.
First Aid - Inhalation	Not applicable

#### **5 FIRE FIGHTING MEASURES**

Extinguishing Media	Product is not combustible due to its high water content. In severe fires the packaging materials will support combustion, use water mist, alcohol resistant foam, dry powder or carbon dioxide extinguishers.
Unsuitable Extinguishing Media	None.
Special Hazards of Product	This product especially the packaging may give rise to hazardous fumes in a severe fire.
Protective Equipment for Fire Fighting	No special requirements other than standard full protective clothing and self-contained breathing apparatus.

#### **6 ACCIDENTAL RELEASE MEASURES**

Personal Precautions	Spillages may create slippery underfoot conditions.
Environmental Precautions	Avoid large spillages.
Spillages	Small spillages should be flushed away to drain. Large spillages should be contained and disposed via landfill.

#### **7 HANDLING AND STORAGE**

Handling	No special precautions required. Avoid spillages as these may cause slippery underfoot conditions.
Storage	Store inside in a clean environment to avoid surface contamination of the packaging. Avoid extremes of temperature.
